

LEARN WELDING RIGHT HERE IN FLOYD!

offered by
NEW RIVER
COMMUNITY COLLEGE

PRINCIPLES OF WELDING

14-week course, Jan. 17 - April 12

Tuesdays and Thursdays

6 to 8:30 p.m.

Floyd County High School Welding Lab

This non-credit class will cover the four main processes of welding: SMAW • GMAW • FCAW • GTAW along with four cutting processes. Students will have the option to work toward AWS welder certification.

FEE: \$460 NO requirement to purchase welding gear or textbooks.

INSTRUCTOR DOUG THOMPSON: certified welding educator with the American Welding Society, OSHA trainer, 10-years experience teaching at Floyd County High School and has teaching experience in welding at NRCC.

**Call by January 13 to pre-register.
Register and pay the first night of class.**
