October, 2023

JENNIFER DEE SNYDER, PH.D.  
STUDENT ENRICHMENT SPECIALIST K-12  
FLOYD COUNTY PUBLIC SCHOOLS

## Updates:

The week of Labor Day, we started off pull-out enrichment for 3rd, 4th, 5th, 6th and 7th grades during the school day. We talked about what we are working on this year.... NATIONAL HISTORY DAY PROJECTS!!!

Third and fourth graders will work with Dr. Snyder on research skills and critical thinking skills. We will work within the parameters of National History Day rules (to practice) and create mini-projects, passion projects, and group presentations.

The theme this year is: "Turning Points in History."

For 5th, 6th, 7th, and 8th graders, they will also work on their projects after school twice a month with their Enrichment Coordinators (see schedules second page).

For more information, **go to our Google Classroom**, all students should be enrolled. There are mini-videos to help students and lots of information has been shared, so they work on this in their spare time and at home as well.

Eighth grade will work with Ms. Sharp-Knott in after-school enrichment on National History Day and a bunch of other neat activities!

Ninth grade has awesome activities planned, make sure you stay after with Ms. Melvin to check things out after school!
