Re: Scholarship Opportunity for Gifted Program Students

Dear Parents/Guardians of FCPS Gifted Program Student:

The Gifted Education Program is extending scholarship opportunities to help sponsor identified gifted students of FCPS to attend Summer Enrichment Programs (SEPs) for summer 2019.

If you wish to apply for a Gifted Program SEP Scholarship, please follow the steps below:

1. Apply for internal scholarship/financial aid that the Summer Enrichment Program offers.
2. Apply for external scholarship/financial aid that supports SEP's, including church and community organization scholarships. If you have not applied, please consider applying for a VAGifted Scholarship: <https://www.vagifted.org/page/StudSummScholarships>.
3. **Return completed SEP Scholarship Application to your school's Site-based Gifted Coordinator (SGC) no later than Friday, March 15, 2019.**

To view a list of some summer opportunities, please visit our website at:

<https://www.floyd.k12.va.us/Page/2529>

While we continue to update, this list is a sampling of SEPs available state and nation-wide.

If you have questions about SEP opportunities or this Scholarship Application process, please call the school or Ms. Marye (info below).

Sincerely, Kimberly Marye
Gifted Specialist, FCPS

Application does not guarantee award. Award depends upon availability determined by number of applicants, program costs, and other scholarships/aid students may receive. FCPS will contact parents with scholarship determinations by April 1st. If a scholarship is awarded, parents will be responsible for registration and payment arrangements, including any balance not covered by award. If a scholarship is awarded, parents may choose one of two options:

- 1) to have camp/program invoice (bill) FCPS so FCPS may directly pay award amount to camp;
- 2) to be reimbursed award amount after submitting to FCPS receipts/proof of payment made to the camp/program.

RECEIPTS OR INVOICES MUST BE RECEIVED NO LATER THAN MAY 1st.
