INTRODUCTION

The Floyd County High School Parent/Student Handbook provides a guide to the policies of the school. Please take the time to read this manual, as it contains valuable information for both parents and students.

You should also read the **Standards for [Student Code of Conduct](#) and Attendance**, which can be found on the [Division Website- Board Docs](#) under [School Board-Policies](#). Parents are encouraged to stay in close contact with the school by calling 745-9450 if you have any questions.

MISSION STATEMENT

The mission of Floyd County High School is to meet the individual educational needs of every student. This will be accomplished through a comprehensive curriculum taught by caring, highly qualified professionals through differentiated and assessment driven instruction.

Dress Code

Floyd County High School believes in students' rights to express themselves in the way they dress. Additionally, student attire should facilitate participation in learning as well as the health and safety of students and the adults that supervise them.

According to the Floyd County Public Schools District Policy, grooming and dress must not distract or interfere with the educational opportunity of other students. (See policy JFC-R). This policy is intended to provide guidance for students, staff, and parents.

Minimum Requirements:

1. Clothing must cover areas from one armpit across to the other armpit, down to approximately 3 to 4 inches in length on the upper thighs. Tops must have shoulder straps. Rips or tears in clothing should be lower than 3 to 4 inches in length.
2. See-through or mesh garments must not be worn without appropriate coverage underneath, meeting the minimum requirements of the dress code.
3. Shoes must be worn at all times and should be safe for the school environment. (Pajamas, bedroom shoes, or slippers shall not be worn except for school activities approved by the principal).
4. Sunglasses may not be worn inside the building.
5. Specialized courses may require specialized attire, such as sports uniforms or safety gear.

Additional Requirements:

1. Clothing and jewelry may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct, weapons, or the use of alcohol, tobacco, marijuana or other controlled substances.
2. Clothing may not depict or imply pornography, nudity, or sexual acts.
3. Clothing may not display or imply vulgar, discriminatory, or obscene language or images.
4. Clothing may not state, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification.
5. Clothing and accessories that endanger student or staff safety may not be worn.
6. Apparel, jewelry, accessories, tattoos, or manner of grooming that, by virtue of its color, arrangement, trademark or any other attribute, denotes membership in a gang that advocates illegal or disruptive behavior is prohibited.

** Administration, faculty, and staff members will enforce the dress code. Moreover, the administration team reserves the right to determine what constitutes appropriate attire. Students who don't adhere to the guidelines will not be allowed to attend class. Parents will be called if appropriate attire is not available or the student refuses dress-code appropriate attire.

PUBLIC AFFECTION

Appropriate public displays of affection for High School students **may** include hand-holding and hugging.

If students engage in inappropriate public displays of affection for public high schools, such as kissing, touching, or other inappropriate conduct, students will receive an initial warning. If inappropriate actions continue students are subject to discipline and consequences which may include ISS or OSS.

MEDICATIONS

All medications, both over-the-counter and prescription, **must** be delivered to the school nurse by a parent or guardian. **Students are not permitted to bring or transport medicine to and from school.** All medications should remain at school. The Authorization for Medication Administration form **must** be completed to allow permission for administering medications. [This form](#) may be found on our school website or in the nurse's office and **MUST** be turned in directly to the school nurse or main office.

ILLNESS AND INJURIES AT SCHOOL

Students who are injured at school or who become too ill to remain in class should report to the school nurse. If the nurse is unavailable, students should report to the main office. A member of the staff will contact the student's parents/guardians.

SUPPLEMENTAL ACCIDENT INSURANCE POLICY

This is a reminder to parent(s)/guardian(s) that there is a supplemental accident insurance policy that Floyd County Schools provides for our students. This insurance policy would serve as secondary to any policy that you currently hold and is not a guarantee to pay remaining balances after primary insurance pays its portion. In the event that your child has an accident or injury while at school or participating in school activities such as athletics, field trips, etc., please notify the main office. They will provide you with the Student Accident Claim Form. Claims must be filed within 90 days from the date of injury. If you have questions regarding this information, please contact the main office. We wish you all a safe and successful school year.

VISITORS

For the updated and increased safety of our students and staff, all visitors, including parents/guardians will be asked to present and scan their Driver's License upon arrival at FCHS. Parents/guardians should call to make an appointment when visiting the school is needed - virtual meetings will also be an option for all parents/guardians. Students from other schools may not visit FCHS unless they have prior permission from an administrator.

ATTENDANCE

Attendance Policy - Floyd County High School

A. Limit of Absences

1. Accumulating **more than ten (10) absences** in a class during the semester will result in failure, unless there are extenuating circumstances substantiated by written, valid documentation presented to school administration.
2. It is the responsibility of the student and parent to appeal absences (if over 10 days) to the Attendance Committee for review. Attendance Appeal Forms may be picked up in the main office and should be submitted to an administrator prior to the end of the semester. Students will also need to make up time after school for any classes they miss over 10 days. 45 minutes after school will account for one missed block.
3. Missed assignments resulting from absences **must** be made up **within three (3) days of returning to school (all work not made up within the time period could be graded zero.)**
4. To be counted present for class a student must be present in class for a **minimum** of two-thirds of the class period.
5. Students who are absent must have a parent contact the school administrative office (i.e. phone call, email) stating the reason for absence. If no communication is received, the absence will be deemed **unexcused**. In the event of excessive absences, a doctor's verification may be required to substantiate a student's illnesses.
6. If a student has excessive tardies and/or early dismissals in a class this will be taken into consideration when granting course credit.

The only excuses for absences that shall be deemed acceptable are:

- a. Illness (if over two consecutive days or excessive absences, the school may require a note from a doctor)
- b. Medical appointments (medical document preferred)
- c. Court appearance (official court document preferred)
- d. Death in the family
- e. Religious holidays
- f. Extenuating circumstances, which are determined by the school administration

The principal may consider circumstances beyond the control of the pupil and/or parent/guardian and excuse the student from school for reasons other than those listed above. Special consideration may be given by the school administration to extended absences due to medical reasons, as verified by a physician.

School Related Absences

Missing class due to school related activities will not be counted as an absence from class. Examples are club meetings or competition, sports activities, testing, guidance conferences, etc. Also, time spent in In-School Supervision (ISS) will not be considered an absence from school. However, Out of School Suspension (OSS) will count as an unexcused absence. It is the student's responsibility to collect and make-up all missed assignments.

PARENTAL CONFERENCES

Letters will be mailed to parents after a student has missed five (5) unexcused days. A conference may be scheduled with the school administration concerning your child's school attendance and an attendance plan may be formulated. Long-term absences will be reviewed by the administration. Loss of credit may be appealed to the Attendance Committee by submitting an Attendance Appeal Form.

PLANNED ABSENCES

Prior approval is required for college visits or other trips of educational value. In order to secure prior approval, the student should bring a note from a parent or guardian prior to the absence. In either situation, an absence and/or request for prior approval, the principal or assistant principal will review the information and determine whether the absence is excused or unexcused based on school board policy.

Students are reminded that the Floyd County Schools attendance policy requires that a note or phone call be provided from the parent/guardian following an absence from school. Upon returning to school, the student should bring the signed note to the attendance desk in the lobby and an admit slip to class will be issued.

TARDY POLICY

STUDENTS ARE EXPECTED TO ARRIVE TO SCHOOL AND CLASS ON TIME.

After the second unexcused tardy the teacher will notify administration of each subsequent tardy.

TO BE COUNTED PRESENT, YOU MUST ATTEND THE CLASS FOR A MINIMUM OF 2/3 OF THE PERIOD.

After the 3rd unexcused tardy will result in a lunch detention.

After the 4th unexcused tardy will result in a lunch ISS.

After the 5th unexcused tardy will result in a full day of ISS.

After the 6th unexcused tardy will possibly result in OSS.

TARDY STUDENT DRIVERS

All student drivers are reminded that in addition to the school's attendance policy, the following action may be taken if you arrive to school late:

- Three (3) unexcused tardies will result in **parking privileges being suspended for one week.**

- At four (4) unexcused tardies, **parking privileges will be suspended for two weeks.**
- At five (5) unexcused tardies, **parking privileges will be suspended for three weeks.**
- **At six (6) unexcused absences or after, the students driving privileges will be suspended for the remainder of the semester.**

CHECK-IN PROCEDURES

Students checking into school late must verify their reason for tardiness by one of two methods:

- Bringing a note from their parent or guardian that day
- Parent/guardian may call or email the main office prior to the beginning of school to notify school officials that their child will be tardy to school

The determining factors will be the same as for excused absences. The school administration may consider extenuating circumstances to determine whether the tardiness is excused or unexcused.

CHECK-OUT PROCEDURES

STUDENTS MAY NOT LEAVE SCHOOL FOR LUNCH

Any student who leaves school grounds without permission and returns may be subject to a search by administration.

A parent or guardian needing to check their student out of school early may arrange to do so by the following methods:

- If your student drives, call the main office prior to dismissal time and place your child on early dismissal – please call the school as early as possible to help minimize any potential misunderstandings.
- For safety reasons, if you are picking your student up, please report to the attendance desk in the main lobby and sign them out of school.

Once a student checks-out, to be properly re-admitted that same day, it is expected that the absence is excusable per Floyd County School Policy and supported by appropriate written documentation/parent contact and/or administration approval.

If a student does not return to school, they are not eligible to participate in after school activities unless prior approval is given by a member of the administration.

Only parents, guardians or persons designated as "School Pickup" may check students out of school. **If no communication is made by a parent the absence will be counted as unexcused.**

Students who turn eighteen during the school term may sign themselves out by following proper procedure. These students must comply with all attendance policies and should inform their parents if they check out.

Any student leaving without following procedure may receive disciplinary action.

THE USE OF CELL PHONE & PERSONAL TECHNOLOGY DEVICES

Cell phones and other personal technology devices should be out of sight during class and class hours to include classrooms, hallways, and bathrooms. Students will be able to use cell phones and personal technology devices during transition times before and after classes and during their lunch periods. Unauthorized use anywhere during the student's class time will result in confiscation of the PTD.

Individual user identifications and devices may be shut down for inappropriate use.

The Acceptable Use Policy applies to PTD's as well as school-owned devices. Any device may be confiscated if used at inappropriate times and/or places and a parent/guardian may have to pick it up. Once a device is confiscated and brought to administration, the following will be implemented:

- 1st offense – Warning. Device confiscated until the end of day.
- 2nd offense - Device confiscated. Parent/guardian/designee pick up.
- 3rd (and subsequent offenses) – ISS or OSS may result. Recommendation to suspend ability to use devices on school grounds.

ELECTRONIC CIGARETTE/TOBACCO USE

Smoking, chewing or any other use of tobacco products by staff, students, and visitors is strictly prohibited on school property. Vaporizers (i.e. vape(s) and or e-cigarettes) will be considered tobacco/nicotine related items.

Penalties for students who use and possess tobacco products are as follows:

- 1st Offense:** The student will receive (1) day of ISS, a tobacco education assignment and a parent/guardian will be notified.
- 2nd Offense:** The student will receive three (3) days of ISS, parent/guardian will be notified, and the student will be charged with underage possession of nicotine.
- 3rd Offense:** The student will receive up to five (5) days OSS and the parent/guardian and School Resource Officer will be notified. Any subsequent violations will receive more severe disciplinary action, which may include a referral to the School Board.

LOCKERS

Students are to use ONLY the locker assigned to them and ensure that the locker is kept in a neat condition. Students are to follow the Building Stewardship Policy at all times. It is the responsibility of the student to keep his/her locker locked at all times. Student lockers are school property and remain at all times under the control of the school. Students are expected to assume full responsibility for the security of their lockers.

School authorities for any reason, however, may conduct periodic general inspections of lockers at any time without notice, without student consent, and without a search warrant.

BACKPACKS/BOOKBAGS

Backpacks/bookbags will be allowed in the classroom, unless it becomes a safety issue for a large class. Teachers may require students to leave their bag in their locker, if it becomes a distraction to the learning environment.

POSTING OF MATERIALS BY STUDENTS

All material to be posted shall be reviewed by an administrator who may consent to the posting if it complies with the "Regulations for Posting Materials in Public Areas." These regulations may be found on the FCHS website or in the main office.

Any materials posted by students must be school related and may only be posted in designated areas. Therefore, no student-generated displays shall be posted in hallways or attached to the outside of student lockers.

Expressions of school spirit may be displayed in gymnasiums, sports fields and the main lobby upon the directive or approval of the school administration.

CAFETERIA POLICIES

Each child will receive free Breakfast and lunch. Students may purchase an extra breakfast for \$2.00 and an extra lunch for \$3.00.

1. Line jumping and running will not be tolerated.
2. Lunch trays, trash, etc. are to be disposed of properly before leaving the cafeteria.
3. Students are to enter the cafeteria through the rear doors. The side doors are for exit only.
4. Seniors are allowed to go to lunch three minutes early on Fridays as long as this policy is not abused.
5. Students are encouraged to deposit money into their account weekly or monthly using either cash, a check made payable to FCHS Cafeteria, or by logging onto myschoolbucks.com. This facilitates faster movement through the lunch lines.
6. During lunches all students must remain in the cafeteria unless otherwise approved by an administrator.
7. **STUDENTS MAY NOT LEAVE SCHOOL GROUNDS DURING LUNCH.**
8. ALL food seen out of the cafeteria will be addressed by a staff member and the student will be sent back to the cafeteria. Repeat offenders may subject themselves to disciplinary action.
9. **Students are not to order food that will be delivered to the school without the direct involvement of the classroom teacher.**

BUILDING STEWARDSHIP POLICIES

Students are responsible for helping keep the building and grounds neat and orderly. Please be advised that all food is to be eaten in the cafeteria (with the exception of second chance breakfast). Exceptions to this policy may be made upon the approval of an administrator.

Any wheeled devices (skateboards, rollerblades, in-line skates, etc.) are not allowed on school property.

STUDENT DRIVERS

Students are permitted to park on school premises as a matter of privilege, not of right. Students are required to purchase a parking pass of \$20 and display their parking sticker on the upper left hand side of their front windshield.

Inspections of vehicles may be conducted without notice, without student consent and without a search warrant.

Students who drive to school must comply with the following regulations:

1. Upon arriving on school grounds, students are to enter the building. At no time are students permitted to leave school grounds without permission from the office.
2. Parking on the grass is prohibited.
3. Cars must be driven safely, reasonably, and responsibly.
4. Students may not return to their cars during the school day without prior approval from the office.
5. The cafeteria, boiler room, and "White Building" (adjacent to baseball field) parking areas are for staff members only.
6. The administration may revoke parking privileges at any time. Vehicles not observing the above regulations are subject to towing at the students/owners expense.
7. Vehicles are to be parked facing the flagpole.
8. Students are permitted to park in designated areas only:
 - a. **Seniors Only - Main Lot (back row, excluding teacher spaces) and behind the new gym**
 - b. **Juniors and Sophomores – New Parking Area.**
9. Students are not permitted to park behind or around the elementary school or the areas designated as public highways.
10. If a student must trade/switch vehicles, he/she must display a parking permit. There is no charge for switching vehicles; however, updated information must be provided to the office when the switch is permanent.

****Failure to abide by these regulations may result in suspension or revocation of driving privileges.**

CAR RIDERS

Students are to be dropped off in front of the main building between the hours of **7:45** – 8:10 am Monday - Friday. Students are NOT to be dropped off in any other location. Student pick-up is the same location at 3:15 pm.

CONDUCT ON BUSES

Any behavior (as determined by the school bus driver or other school staff) that disrupts the school bus environment is subject to disciplinary action.

The Floyd County Schools operate a free bus service. For reasons of safety, students are expected to be reasonably quiet and orderly while loading, riding, and unloading the bus. This bus service is a privilege and not a right. Violations of school bus policy and regulations for students riding school buses may result in loss of privilege to ride the bus and/or may result in consequences for the offense found elsewhere in the student handbook. Bus discipline may be carried into the next school year. Students are to pay for any damage they do to a school bus in addition to serving any disciplinary action assigned by the principal.

Driving a school bus requires the bus driver's full attention. Any incident that causes a bus driver to divert attention from his/her primary responsibility may jeopardize the safety and well-being of the students. You are urged to be supportive of both the action taken by the driver and the corrective action taken by the administration.

Students must follow all directions and school rules; keep hands, feet, and other objects to yourself inside the bus; sit in your seat facing the front; talk quietly and use proper language; and behave in a safe and orderly manner.

EMERGENCY DRILLS

During emergency drills, the following behaviors are expected of students:

- Remain with your class
- Move quickly and quietly to designated area
- Follow teacher instructions
- Be respectful

Fire Drill/Evacuation

The signal for a fire drill will be continuous sounding of the fire alarm horns. The backup signal will be the ringing of three short bells.

ADVANCED PLACEMENT TEST

GUIDELINES:

AP students will pay a \$95.00 testing fee when class begins, (free/reduced lunch students pay a \$54.00 testing fee). The fee is refundable if the student completes the course, but does not take the test. In order for a student to take an AP on-line course, he/she must sign the Early College Scholars Agreement which is available in the Guidance Department. See the Course Description Booklet for AP Enrollment guidelines.

CAREER AND TECHNICAL EDUCATION

Career and technical education programs serve students in grades 8-12. Each program is designed to prepare young people for productive futures while meeting the commonwealth's need for well-trained and industry-certified technical workers. Programs include the following: Agriculture Education, Auto Mechanics, Building Trades, Business Education, Early Childhood Development, Family and Consumer Science, Culinary, Health Occupations, Teachers for Tomorrow, Technology Education and Welding. You may contact the CTE Program Director should you need additional information

SALES

Selling items, including candy and other food items, during instructional time and lunches is prohibited. All fund-raising and sales campaigns must have prior approval of Administration. No items may be sold for non-school clubs or organizations. Students are responsible for the value of any items they take to sell, and are responsible for safeguarding those items and money collected from sales. Students must obtain parental permission prior to participating in school sales.

HOMEWORK

The following guidelines shall be observed by FCHS in making homework assignments:

1. In grades 8-12, the majority of students should be able to complete assignments by devoting 2 to 2 ½ hours per day outside the regular class time.
2. Teachers will hold students accountable for completing homework assignments during prescribed allotted time.

During the first week of school, teachers will discuss fire drill procedures with their students. When the fire alarm sounds, teachers should make sure the room is cleared, close all windows and doors, and escort students as they exit the building. **ALL STUDENTS AND TEACHERS** should go at least 40 yards from the building and remain there until the all-clear signal is given. After the all-clear signal is given, students and teachers should re-enter the building in an orderly fashion and return to their respective classrooms.

Tornado Drill

Signal for drill will be an announcement; the backup signal will be a voice alert. Students and teachers should proceed to areas of the building as posted and assume the safety position.

Other Emergencies

Emergency situations may be announced in a variety of ways (i.e. PA system, Alarm, Door-to-Door, Phone):

Inside Threat Lockdown (Announcement)

A term used to refer to a situation which calls for the isolation of faculty and students from a potentially violent environment. Teachers and students will respond per training and guidelines from administration and Police/Fire/Rescue in preparation and during any event.

Shelter in Place (Announcement)

A term used to refer to a situation which calls for faculty and staff to be on alert to a possible crisis situation. Teachers should immediately go to the classroom doorway and ensure it is secured until the alert is canceled. Class may continue while awaiting further directions. Teachers not directly supervising students should go into the hall and remain there until the alert is canceled or they get more directions from administration of Police/Fire/Rescue.

Bomb Threat

The administration will provide directives for students and teachers. Students should await instruction from teachers and adhere to any required emergency drill expectations.

TEXTBOOKS

There is no textbook rental fee. Classroom teachers will issue textbooks to all students. The student is responsible for any damaged or lost books (i.e. books left unattended, books loaned to a friend, books put in a friend's locker). **PAYMENT MUST BE MADE PROMPTLY BEFORE A REPLACEMENT BOOK CAN BE ISSUED.** Classroom teachers will determine the cost of the book based on condition when issued and/or the amount of damage incurred. All textbooks are school board property and are quite expensive. Care should be taken to maintain the books in good condition.

IN-SCHOOL SUPERVISION (ISS)

An Alternative In-School Instructional Program

1. In-School Supervision is available at Floyd County High School to be used as a form of alternative education for students having academic and/or behavior problems. Students are assigned to ISS by the administration.
2. Students assigned In-School Supervision are to get all books, notebooks, pencils, etc. immediately upon entering school and report directly to the ISS room by the tardy bell.
3. Assignments from each of the students' classes will be collected from the teacher by the In-School Supervision monitor and will be given to the student at the appropriate time. Additional assignments may be made by the ISS monitor if needed to keep the students engaged.
4. Students in In-School Supervision will eat lunch in the ISS room. Someone other than ISS assigned students will deliver lunches to the room.
5. Students will not be allowed to leave the In-School Supervision room for any reason other than an emergency.
6. Talking or other communication with anyone will not be allowed without permission from the monitor.

Promotion to 10th grade – 6 credits earned.

Promotion to 11th grade – 12 credits earned.

Promotion to 12th grade – 18 credits earned. **

Students completing requirements in summer school will not be permitted to participate in graduation exercises during the current year, but may participate the following year.

*Students who are not promoted to the 9th grade must repeat all 8th grade subjects.

**To be eligible to graduate, students must be enrolled in senior level classes.

GRADING POLICY AND SCALE

The following grading scale shall be observed in all grade levels at FCHS:

A	Excellent	90-100
B	Above Average	80-89
C	Average	70-79
D	Below Average	60-69
F	Failing	0-59

Student averages will be computed on a “weighted 4.0 grade point average” system with the students receiving points as follows:

Conversion to a weighted grade point average (GPA)

Regular Classes	Weighted Classes
A = 4	A = 5
B = 3	B = 4
C = 2	C = 3
D = 1	D = 2
F = 0	F = 0

Classes eligible for weighted GPA will be:

1. Honors Classes
2. Dual Enrollment Classes
3. AP Classes
4. Adv. Algebra & Trig., Pre-Calculus and Calculus
5. Human Anatomy & Physiology, Chemistry II
6. Art Studio

Virtual (on-line) AP or Dual Enrollment courses taken during the summer months will not count toward GPA calculations.

FCHS has a working partnership with NRCC to provide college credit courses not offered at FCHS. This could lead to an associate’s degree or a one-year Certificate of General Studies, if scheduling allows.

New River Community College NRCC

Career Counselors are available in the CCDC to help coordinate the Access to Community College Education (ACCE) program as well as counsel students on potential career paths.

DROP/ADD POLICY

The last day for a student to drop/add a course will be 10 days after the start of the semester.. Any course dropped after 10 days will result in a withdrawal failure (WF) and will be notated as such on the student transcript.

HOMEBOUND INSTRUCTION

Arrangements can be made through the School Board Office (745-9400) to provide instruction at home for those students who, for a long period of time, are unable to attend school because of sickness or for other extenuating circumstances.

CREDIT RECOVERY

The Credit Recovery Program is a technology based learning module which allows a student to earn a credit for a failed academic course. The following criteria must be met in order for a student to qualify for credit recovery:

1. Achieved a minimum numerical average of 50 for the year in the academic class
2. Achieved a passing score on the SOL examination
3. Received a recommendation from his/her teacher—a student may be denied participation in credit recovery if their work throughout the year doesn’t demonstrate adequate effort.

High School Credit-Bearing Courses Taken in Middle School

For any high school credit-bearing course taken in grades 6-8, parents may request that grades be omitted from the student's transcript and the student not earn high school credit for the course in accordance with policies adopted by the local school board. VSBA Policy JO Student Records; 8 VAC 20-131-90.

SCHOOL COUNSELOR SERVICES

Two full-time counselors serve a student body of approximately 750 from eighth through twelfth grades. Students are assigned to counselors by alphabet, but are welcome to consult with the counselor of their choice. Ms. Miranda Keith (last name A-K) and Ms. Leslie Hale (last names L-Z).

Counseling services are available to all students, and include personal, educational, and career counseling; consultation; and placement.

SOL TESTING

All students enrolled in a course with an SOL test will be required to take the End-Of-Course test unless the student’s course changes prior to the end of a semester’s 2nd grading period. Additionally, there may be other extenuating circumstances that exempt a student from this requirement when considered on a case-by-case basis.

EXAMINATIONS

8th grade classes will take comprehensive tests or a project based learning activity at the end of the term. These grades will be included in the last grading period of the semester.

Only AP, DE, and Weighted Classes will take end of course exams. Parents are asked not to check their child out of school during exam periods. This practice helps assure that the proper time and effort is spent on the exam and also minimizes distractions for all students during exam periods. There will not be exam exemptions.

REPORT CARDS

Report cards will be issued at the end of each grading period (nine weeks). This report will show the progress students are making in the various areas of study. If satisfactory progress is not being made, students are urged to request a conference with the teacher and/or the guidance counselor to assist them in suggesting methods to follow to improve their work. Parents are also urged to schedule conferences when the student’s work is not satisfactory.

VALEDICTORIAN AND SALUTATORIAN

The valedictorian and salutatorian are the highest achieving students in Floyd County High School’s graduating class. While GPA is a major factor in determining these honors, it is not the only factor considered. If two students take identical

classes throughout high school, making all A's, except one takes a study hall – a GPA calculation would be higher for the student who took a study hall. Using GPA alone is a disservice to the student who takes additional classes. Therefore, a committee of administrators and guidance counselors meet to consider the number of weighted, non-weighted, and total courses taken by the top students in the graduating class. Students who have made all A's through their high school career are given the greatest consideration. Additional college courses outside our Program of Study will not be counted towards a student's GPA. Additionally, any senior who achieves a 4.0 or higher is considered an honor graduate, and will be recognized at graduation.

PARENT PORTAL

Parent Portal information will be given in homeroom. This will allow parents/guardians electronic access to your child's information.

MEDIA CENTER

The Media Center is the resource center for the school. The materials supplement the curriculum and provide for individual differences in pleasure reading and research. All incoming students are given orientation to the Media Center and its operating policies.

CAREER COACH

A Career Coach will be on campus (part-time) to assist any student with career and future considerations.

EXTRA-CURRICULAR AND COMMUNITY

COMMUNITY SUPPORT GROUPS

Buffalo Booster Club

The Buffalo Booster Club is a support and auxiliary fundraising group. The club supports all extra-curricular activities at FCHS and returns monies earned to school projects that benefit our students.

Band Parents Support Organization

Band Parents of FCHS and the elementary schools were formed for the purpose of supporting the band, majorettes, and band front. All parents of band students are eligible for membership with no dues charged. A monthly meeting is held as needed and announced to all members.

Career and Technical Education Advisory Council

This council is composed of individuals from the community representing Career and Technical Education programs. The purpose of the local council is to advise school officials on current job needs and the relevance of courses being offered by the school system and to assist in the development of the annual vocational plan.

STUDENT ACTIVITIES

The student activity program of FCHS is designed to involve as many students as possible in extracurricular activities. Most activities coincide with and enhance academic classes. Though we believe that academics are the most important part of a student's education, the student activities program provides an important part of the total educational experience. In addition to the curriculum, a variety of extracurricular activities help ensure that the total development of the student will be immediate and long-lasting. There are many interest and service-oriented clubs and organizations, as well as clubs that are honorary in nature, open to the students at FCHS.

The Floyd County School Board sponsors all of the clubs and organizations.

The FCHS activities program sponsors the following Virginia High School League activities:

- Forensics (Theda Anderson)
- One-Act Play (Kiefer Yearout)

The FCHS activities program also sponsors the following literary publications:

- Bison (yearbook) (Angela Huff)

FCHS competes in the following academic competitions:

- **Mountain Academic Competition Conference**
- Band (Christian Kiser)
- Choral (Sandra Smith)
- VHSL Academic Scholastic Bowl

DANCE RULES

ANY STUDENT OR GUEST WHO APPEARS TO BE UNDER THE INFLUENCE OF ALCOHOL AND/OR DRUGS OR HAVE THE SMELL OF DRUGS AND/OR ALCOHOL ABOUT THEM WILL NOT BE ADMITTED TO DANCES AND WILL BE SUBJECT TO DISCIPLINARY ACTION.

Disciplinary procedures will be followed for students of FCHS as outlined in the student conduct section of this handbook.

Any student who does not adhere to any of the following restrictions will be subject to disciplinary action:

1. Dances are restricted to FCHS students and their prior-approved guests.
2. Those students that wish to bring a guest who is not an FCHS student must complete the Guest Student Approval Form found in the main office. This form must be returned to the office three (3) days prior to the event for administrative approval. The costs already incurred by a student will not be a consideration for approval of a guest.
3. No elementary students will be allowed, 7th grade athletes included.
4. Parents of high school students attending the dances will be admitted free of charge.
5. Students must enter the dance within 15 minutes of completion of the game.
6. Anyone who leaves a dance will not be readmitted.
7. Students are expected to dance appropriately. While we recognize that dancing does involve physical contact, we are concerned about contact that represents a public display of affection or sexual acts. Some examples of inappropriate dancing are: crotch-to-crotch dancing, prone positions, grinding, sandwich dancing, or any other type of dancing deemed inappropriate by any faculty member. **The dress code will be enforced.**

OVERNIGHT TRIPS

Student groups may be permitted to make overnight trips as approved by the School Board. Prior approval is required and will be coordinated by the activity sponsor. Luggage is subject to search prior to departure.

THE ATHLETIC PROGRAM

There are several athletic teams sponsored by FCHS. These teams are governed by the rules and regulations of the Virginia High School League, Floyd County Schools and the Three Rivers District. Students in grades 7-12 may participate in these activities (see requirements at the end of this section). The Floyd County School Board employs coaches and sponsors of these teams. VIRGINIA HIGH SCHOOL LEAGUE

ACADEMIC ELIGIBILITY

REQUIREMENTS:

Students must pass three of four classes to be eligible to participate in any VHSL activity the following semester. There is no yearly eligibility option (combining first and second semester passing grades), since block-scheduling format is on a “stand alone” semester grade basis.

All athletes are required to have a yearly physical on file before the 1st practice of their chosen sport.

SCHOOL PHOTOGRAPHS

Pictures taken on school grounds **cannot** be sold by the individual or affiliate taking the pictures in accordance with school board policy. Floyd County High School has a contracted photographer. Violators of this policy may be banned from school property.

SAFETY AUDIT

A copy of the school’s safety audit can be viewed in the Principal’s office.

TITLE IX OF THE EDUCATIONAL AMENDMENTS OF 1972 COMPLIANCE STATEMENT

The right of equal educational opportunity and equal employment opportunity has been given emphasis as reflected by Title IX of the 1964 Civil Rights Act as amended in March 1972, and the Regulations for the Title IX of the Educational Amendments of 1972. Title IX states: *“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal Financial assistance...”*

On June 8, 1976 the Floyd County School Board officially adopted an affirmative action policy affirming the principle of equal educational and employment opportunities to all students regardless of race, color, sex, religion, ancestry or national origin.

Any inquiries concerning the application of Title IX may be referred to the Assistant Superintendent of Floyd County Schools, Floyd County School Board, Floyd, Virginia, or to the Director of the Office for Civil Rights, Department of Health, Education and Welfare, Washington, D.C.

Release of Student Records to Armed Forces Recruiters and Educational Institutions

According to VSBA Policy JO Student Records; 20 U.S.C. § 7908(a), our school must notify parents that they will release the names, addresses and telephone numbers of secondary students to all recruiters or institutions of higher education that request them **unless** the parents specifically request that this information not be released.

SEXUAL HARASSMENT

Policy Statement: The Floyd County School Division is committed to maintaining a learning/ working environment free from sexual harassment and harassment based on race, national origin, disability or religion. Therefore, Floyd County School Division prohibits sexual harassment and harassment based on race, national origin, disability or religion of any student or school personnel at school or any school sponsored activity. For more information, please see Floyd County Public Schools Policy JFHA/GBA.
