Telephone: (540) 745-9400 FAX: (540) 745-9496

March 12, 2020

Dear FCPS families and staff,

FCPS continues to monitor the situation regarding the COVID-19 pandemic. This situation is changing rapidly and we are continually monitoring the information as it is released by the health department, CDC, and VDOE.

At this time, we are postponing all trips outside of Floyd County for students and staff. Volunteers who have traveled outside the area are asked to contact the School Board Office before reporting to a school campus. This includes student teachers, field study students, and any community volunteer.

We are planning for the extended closing of schools should it be necessary. Schools will be closed for students on Monday, March 16, 2020. Staff will report to their schools for a workday to prepare remote learning activities. Schools will reopen for students on Tuesday, March 17, 2020.

Sincerely,

Dr. John Wheeler, Superintendent
Floyd County Public Schools
