Hello Floyd Families,

We will be distributing Chromebooks to students in grades 3-7 beginning Friday, April 3, at Indian Valley Elementary School. Chromebooks will be distributed to Willis Elementary students on Monday, April 6, Floyd Elementary students on Tuesday, April 7, and Check Elementary students on Wednesday, April 8. They will be distributed on the morning bus routes with the meal delivery.

We realize that this may delay the buses a little on these days. Thank you for being patient as we hand out these valuable learning resources.

For students who are not on a bus route, Chromebooks will be available for drive-through pick-up at each school after spring break.

Take care and be safe!
