Good afternoon,

Today Governor Northam released Virginia's plan for reopening schools. At this time, we anticipate that our schools will open in some capacity on August 11 in accordance with the adopted 2020-2021 school calendar.

FCPS has assembled a task force to assist in the reopening of schools in the fall. This team of administrators and teachers will be reviewing guidance from the Virginia Department of Education, the Virginia Department of Health, and the Center for Disease Control in order to address the needs of our students and staff.

We will also be sending out a survey for families to provide us feedback.

In the meantime, we will continue to plan a summer learning experience to occur in July. Summer feeding will continue with pick-up at FCHS, CES, IVES, and WES from 11:00-1:00 on Monday and Wednesday of each week.

We ask for your patience as we finalize plans for a safe return to school. We remain committed to keeping you informed as these plans develop.

Stay safe and healthy,

Dr. John Wheeler, Superintendent Floyd County Public Schools
