

4th & 5th Grade At Home Review Activities ~ Math & Science

Math:

1 – Prodigy Math ~ <https://play.prodigygame.com/>

- Students should have their login information for this website in their student planners. **If they have forgotten their login, please contact Mrs. Serr.**
- Review content and questions will be added to this website periodically throughout the school closing.

2 – IXL Math ~ <https://www.ixl.com/signin/floydco>

- Students must login through the Floyd County link!
 - Students should have their login information for this website in their student planners. **If they have forgotten their login, please contact Mrs. Serr.**
- **DIAGNOSTIC Review** *Recommended!
 - In the Diagnostic section, there will be a list of 'recommended skills' for your child to practice. This is a great way to help your child practice concepts they have already learned.
- **Student Choice Review**
 - Any 4th or 5th grade concept that has a **yellow star** is great review!

3 – Google Classroom

- There are a handful of review activities that students have started in their Math Google Classroom.
- New review opportunities will be added depending on the length of the school closing.

4 - **Math Madness** review workbooks. ***NOT digital.**

- These workbooks offer daily review of all the math content taught this year.
- Your child's workbook is in the office at the school. If you would like to make arrangements to pick your child's book up, please contact the school office.
