

# HOME LEARNING MENU week 1

Choose any activities to do at home this week..

<p>1. Bake a dessert using an online book or recipe. Follow each step and measurements closely.</p>	<p>2. Play a game like Monopoly, Scattegories, or Yahtzee. Read the directions out loud to the other players.</p>	<p>3. Write a letter to a family member or friend that does not live near you.</p>
<p>4. Use a map to plan your dream vacation. Where would you go? What would you see?</p>	<p>5. Read a book and write a review. Did you like the book? Why or why not? What was the best part? Who else should read it?</p>	<p>6. Turn off all the lights! Grab a book and read with a flashlight.</p>
<p>7. Do some research on the weather in your area for the next week. Record yourself giving a detailed weather report.</p>	<p>8. Make a video of yourself reading your favorite picture book. Send the video to a family member who would also love the story.</p>	<p>9. Download the app, Stack The States, and play the game to learn where the different states are in the United States.</p>

Learning packets are available if you want to pick them up at school. Students may do IXL math & language arts. Check out Floyd Co. websites too!
