

## Floyd County Public Schools Remote Learning Plan April 14-May 1

### Geometry Part 2/Mrs. Bearden

*Hello my bright young scholars!*

*Believe it or not, I miss seeing you every day and hope that you are staying safe and healthy. Below are some activities that can keep your minds sharp allowing you to practice what we've learned this year. Please reach out to me with any questions. You can email me at [beardens@floydschools.org](mailto:beardens@floydschools.org) and we can schedule a Google Meet if needed. I will continue checking in with you for the remainder of the year by Google Classroom and email. I have some exciting pictures to share with you soon. Let me know how I can help you!*

Week of April 14-17			
Tuesday	Wednesday	Thursday	Friday
<b>Bingo Board #1 –</b> Every day you need to pick a Bingo Board piece to complete. You can “get” your Bingo anyway you choose. Please email me, or share your answer through Google docs. For some of the problems, you may need to take a picture of your work and send that to me. Please be sure to include the problem number in your answer. You may want to wait until Friday to turn in all the answers.	<b>Bingo Board #1 –</b> Every day you need to pick a Bingo Board piece to complete. You can “get” your Bingo anyway you choose.
